

# Super Diggg™

## TripMaster Letter #8

New to the group? All registrants are added to the email address list, but if you just 'arrived' you might not have gotten the seven previous TripMaster Letters. In this case, please visit the Trip Info page of our website at <http://SuperDiggg.com> and read the PDF copies that are listed there, so you have all the background info that has already been sent out.

---

We have been receiving a number of individual requests asking "what group am I in?" for the Premium Diggg.

On the Trip Info page there is a link to the three Sections and who is assigned in each ... it's also at --

---

Premium Session #3 is almost filled ... at present there are about 18 more 'slots' left. When Session 3 is filled (75 Digggers) there will be no more Premium registrations permitted -- INCLUDING on-site.

If you have not yet registered, time is running short. On-line registration CLOSSES at 1:01 a.m. EDT on Tuesday, April 25th. (After that, you will have to wait on the non-express check-in line at the site on Saturday morning, filling out the forms by hand and paying with \$30 cash). Use the registration link at our website at <http://SuperDiggg.com>

The Schedule of Events can be fetched from <http://events.SuperDiggg.com>

Be sure to attend the "New Glow Hound" orientation at 10:00 am. Here we will give everyone insight to the most productive areas, what to look for, where things are, and what to expect.

**SAFETY GLASSES are MANDATORY**  
in all COLLECTING AREAS  
Regular glasses, sun glasses or other regular eyewear are NOT OK.

If you normally wear eye glasses, you must have a pair of "wrap arounds" to go over your regular glasses, per EFMLS Safety Rules.

Needless to say, any area where rocks can fall on your head (no matter how hard it is!) requires vigilance and good safety practices. Please make a point to review the five 'tabs' at the left of <http://www.amfed.org/safetytips.htm>

If you have ANY questions not answered by info on the website, visit our FAQ (Frequently Asked Questions) page at <http://faq.superdig.com/>

If that doesn't help, then email me at:

[TripMaster@SuperDig.com](mailto:TripMaster@SuperDig.com)

and be sure to include your telephone number. I have "unlimited calling" and will be glad to call you back. I enjoy very much talking with our collectors, and I want to be sure you have the best possible experience with us at the Super Diggg on April 29th. (By the way, we do not share your private info with anyone other than the registration crew).

I look forward to hearing from you, and seeing you on Saturday at the Diggg.

Your TripMaster again this year,

Jeff Winkler
