Premium registration includes diggging in Buckwheat all day and night.

All registrations include Special Events and access to Franklin Mineral Museum.

Those who participate in the Mill Site premium diggg periods **MUST LEAVE** the restricted area no later than the ending time for their session.

Materials must be taken directly from the Mill Site area to the check out area and paid for -- it is strongly recommended that you then take those materials to your car and leave them there.

You will be given a receipt when you pay for the Mill Site goodies -- **KEEP** this receipt with you for the rest of the day. (If you are wearing a Premium wristband and you do not have the paid receipt, you will be charged at the Mill Site rates for all the goodies you have collected).
